LAW DEPARTMENT MEMORANDUM

RICHMOND, VIRGINIA

TO: E. Sanders and T. Osdene 18 January 1977

FROM: L. Inskeep

SUBJECT: 5'-CYANONICOTINE PM 640 USSN 694,687

Please see if you can provide some answers for a response to the enclosed Office Action and references. We would like you to return the references.

For your information, a rejection under 112 signifies insufficient disclosure; under 103, obviousness in view of references; under 101, lack of a basic element of patentability, in this instance apparently utility.

If you need the application to refer to, let me know.
